Exemptions
The clause(s) listed below describe where an exemption to the General Regulations exists:

5.3
Internal Repeat: It is not possible to repeat the compulsory year abroad. However, the assessment for HUMA3013 may be re-submitted as a referral and/or re-submitted as an external repeat only.

Variations
The clause(s) listed below describe where a variation to the General Regulations exists.

Existing University Regulation		Approved Variation
9.2	*Weighting of Parts:* Part I work shall be excluded from the final degree classification. A weighting of 0:1:2 shall be used to obtain the Final Average Mark for the three Parts of an Honours degree programme, and a weighting of 0:1:2:2 for the four Parts of an integrated Masters programme. This is in addition to weighting by credit points (for example, where Parts III and IV do not contain the same number of credit points). *http://www.calendar.soton.ac.uk/sectionIV/progression-regs.html*	*Weighting of Parts:* Part I work shall be excluded from the final degree classification. A weighting of 0:1:2:2 shall be used to obtain the Final Average Mark for the four Parts of an Honours degree programme that includes a compulsory year abroad which is being assessed via the core module LANG3005. LANG3005 will be used to determine progression to Part IV

Additional Requirements

These regulations should be read in conjunction with the programme specification.

Disclaimer:
As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
