The taught component is assessed under the University Regulations for Postgraduate Master's Programmes with additional requirements below.

Additional requirements:
The clause(s) listed below are in addition to the Regulations:

In order to qualify for the awards listed, candidates must additionally:

1. *Students are required to obtain an overall average mark of 55% or above in their taught component, together with a project mark of 55%, in order to continue in the research phase of that programme. Students who have passed their taught component but did not achieve an overall average mark of 55% or above may choose to take an MSc as an exit award,*

provided they have met the requirements of the University Regulations for Postgraduate Master's programmes.

These regulations should be read in conjunction with the programme specification.

Disclaimer:
As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our *Disclaimer* to see why, when and how changes may be made to a student's programme.
