*The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.*

*On occasion, programmes can be exempted from one or more of the clauses in these Regulations, or one or more of the clauses can be varied.*

- *Exemptions are characterised by the omission of the relevant clause.*
- *Variations are characterised by the replacement of the clause with alternative wording.*

*The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions and/or variations** to the regulations noted below.*

*Additional requirements are also listed.*

#### **All BM Programmes (unless otherwise stated) Definitions:**

The definitions used by the Faculty are as per the University regulations with the following exception:

Year	The Faculty refers to Years in the following regulations. A Year is equivalent to the term Part as referred to in the University regulations.
------	---

#### **Exemptions**

The clause(s) listed below describe where an exemption to the General Regulations exists.

- Integrated Masters in Medical Sciences is exempt from clause 5.3 under section 5: Repeat of the Progression, Determination and Classification of Results for Undergraduate and Integrated Masters Programmes.
- Students do not have the right to repeat externally and must repeat internally.

#### **Additional Requirements**

The clause(s) listed below are in addition to the General Academic Regulations.

- All modules once selected are core.

**These regulations should be read in conjunction with the programme specification.**

#### **Disclaimer:**

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
