School	Medicine
Final Award	Master of Research (MRes) <i>With intermediate exit awards of:</i> Postgraduate Certificate Postgraduate Diploma
Programme(s)	Stem Cells, Development and Regenerative Medicine
Last modified	March 2019

The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** and/or **additions** to the regulations noted below.

All BM Programmes (unless otherwise stated)

Exemptions:

The clause(s) listed below describe where an exemption to the General Regulations exists:

- MRes Stem Cells, Development and Regenerative Medicine is exempt from clause 6.5 under section 6. [Progression, Determination and Classification of Results: Postgraduate Master's Programmes](#). Students do not have the right to repeat externally and must repeat internally.

Variations:

The clause(s) listed below describe where a variation to the General Regulations exists:

Existing University regulation	Approved Variation
Progression, Determination and Classification of Results: Postgraduate Master's Programmes .	
5.1 A student who fails a taught Module, after the application of Compensation, may take Referral assessments in failed taught Modules totalling at most 15 ECTS (30 CATS) Credits, subject to the following exemptions: i. For programmes with a minimal Module size of 10 ECTS (20 CATS) Credits, a student who fails a taught Module, after the application of Compensation, may take Referral assessments in failed taught Modules totalling at most 20 ECTS (40 CATS) Credits. ii. For programmes where all Modules are Core and where it is specified in the programme Regulations in the Calendar, the student may take Referral assessments	A student who fails to progress under paragraphs 3 and 4 will take referral assessments in all failed modules.

	in failed taught Modules totaling at most 30 ECTS (60 CATS) Credits.	
--	--	--

Additional requirements:

The clause(s) listed below are in addition to the General Regulations.

None apply.

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
