| <p>The Academic Regulations which are detailed in Section IV, General Information and Regulations, located in the University Calendar apply to and regulate the programme(s) listed above.</p> <p>On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.</p> <ul style="list-style-type: none"> • Exemptions are characterised by the omission of the relevant clause. • Variations are characterised by the replacement of the clause with alternative wording. • Additions are characterised by requirements in addition to those detailed in the Academic regulations. <p>The programmes listed have approval from the Academic Quality and Standards Committee for the exemptions and/or variations and/or additions to the regulations noted below.</p> |
|--|

Exemptions:

The clause(s) listed below describe where an exemption to the Regulations exists.

None apply

Variations:

The clause(s) listed below describe where a variation to the Regulations exists:

Programme: MSc Public Health

| Existing University Regulation | | Approved Variation |
|--|--|---|
| Progression, Determination and Classification of Results: Postgraduate Master's Programmes | | |
| 3.1 | Where a numerical mark is awarded, the Module Pass Mark for students on postgraduate master's programmes is 50%. Some Modules are marked only as Pass or Fail. | Where a module profile specifies a component that is not able to be compensated, students may fail the overall module if they do not achieve the pass mark for the component that must be passed even if they have achieved a module mark of 50%. |

Additional Requirements:

The clause(s) listed below are in addition to the Regulations.

Programmes: MSc/PGDip/PGCert Allergy
MSc Diabetes Best Practice
MSc/PGDip/PGCert Public Health
MSc/PGDip/PGCert Public Health (Nutrition)
MSc/PGDip/PGCert Public Health (Global Health)

MSc/PGDip Public Health (Intelligence)
MSc/PGDip/PGCert Public Health (Management)

- All modules once selected are core.

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
