

University Calendar: 2022/23

Academic Regulations: Faculty of Medicine

School	Medicine
Final Award	Master of Research (MRes) <i>With intermediate exit awards of:</i> Postgraduate Certificate Postgraduate Diploma
Programme(s)	Stem Cells, Development and Regenerative Medicine (<i>closed to applicants</i>)
Last modified	April 2022

The regulations in Section 4, [General Information and Regulations](#), located on the [University Calendar](#) are applicable for the listed programmes.

On occasion, programmes can be exempted from one or more of the clauses in the Regulations; one or more of the clauses can be varied; and programmes can impose additional requirements.

- Exemptions are characterised by the omission of the relevant clause.
- Variations are characterised by the replacement of the clause with alternative wording.
- Additions are characterised by requirements in addition to those detailed in the Academic regulations.

The programmes listed have approval from the Academic Quality and Standards Committee for the **exemptions** and/or **variations** and/or **additions** to the regulations noted below.

All BM Programmes (unless otherwise stated)

Exemptions:

The clause(s) listed below describe where an exemption to the General Regulations exists:

- MRes Stem Cells, Development and Regenerative Medicine is exempt from clause 6.5 under section 6. [Progression, Determination and Classification of Results: Postgraduate Master's Programmes](#). Students do not have the right to repeat externally and must repeat internally.

Variations:

The clause(s) listed below describe where a variation to the General Regulations exists:

Existing University regulation Progression, Determination and Classification of Results: Postgraduate Master's Programmes .		Approved Variation
5.1	<p>A student who fails a taught Module, after the application of Compensation, may take Referral assessments in failed taught Modules totalling at most 15 ECTS (30 CATS) Credits, subject to the following exemptions:</p> <p>i. For programmes with a minimal Module size of 10 ECTS (20 CATS) Credits, a student who fails a taught Module, after the application of Compensation, may take Referral assessments in failed taught Modules totalling at most 20 ECTS (40 CATS) Credits.</p> <p>ii. For programmes where all Modules are Core and where it is specified in the programme Regulations in the Calendar, the student may</p>	<p>A student who fails to progress under paragraphs 3 and 4 will take referral assessments in all failed modules.</p>

take Referral assessments in failed taught Modules totaling at most 30 ECTS (60 CATS) Credits.	
--	--

Additional requirements:

The clause(s) listed below are in addition to the General Regulations.

None apply.

These regulations should be read in conjunction with the programme specification.

Disclaimer:

As a research-led University, we undertake a continuous review of our programmes to ensure quality enhancement and to manage our resources. As a result, these regulations may be revised during a student's period of registration, however, any revision will be balanced against the requirement that the student should receive the educational service expected. Please read our [Disclaimer](#) to see why, when and how changes may be made to a student's programme.
